

Banking for Impact Media Event

Invitation to the Banking for Impact **Media Roundtable 2021**

Dear Media Professionals,

Global economic initiatives in support of society and the environment are gathering pace but fundamental change isn't happening quickly enough. One remedy is to build a more inclusive market economy, one that serves people and planet and one where the standards attached to social and environmental objectives hold the same weight as those attached to financial profit. Banks can accelerate that transition.

Those are some of the conclusions reached by **Banking for Impact**, a new alliance including **UBS Group**, Dutch bank **ABN AMRO**, Denmark's **Danske Bank**, Singapore's **DBS**, plus Harvard Business School's **Impact-Weighted Accounts**, and the **Impact Institute**, a social enterprise pioneering new standards in integrated reporting.

Impact Institute would like to welcome you and other media representatives to a lively expert discussion led by Banking for Impact as it launches its debut Vision Paper. This will outline BFI's
